

Olimpíadas de Química júnior

Exemplo 1 - Observação simples

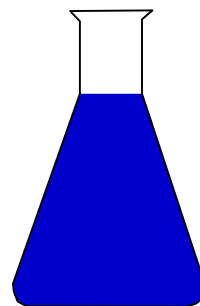

Qual a solução que contém maior quantidade de CuSO_4 dissolvido?

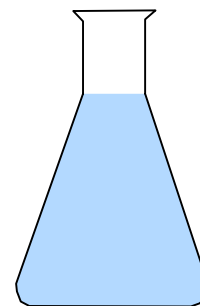

A

B

C

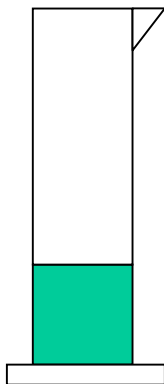

D

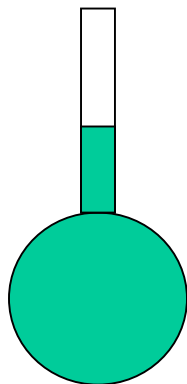

Olimpíadas
de Química
júnior

Exemplo 2 - Observação e leitura de instrumento de medida

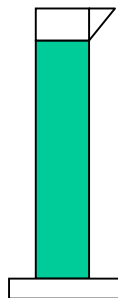

Qual o maior volume?

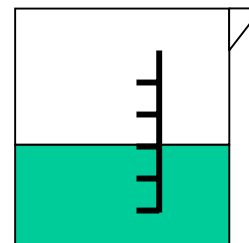

A

B

C

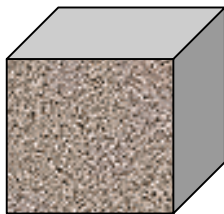

D

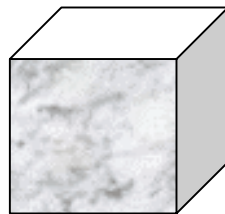

Olimpíadas
de Química
júnior

Exemplo 3 - Observação e manipulação simples

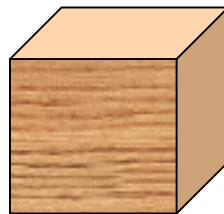

Qual o material mais denso?

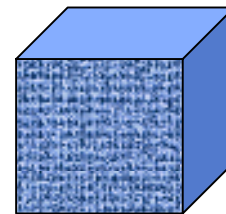

A

B

C

D
